

## Low profile self adhesive cable tie bases.

### Key features.

- This tough material provides excellent insulation and chemical resistance
- The black mounts are ideal where exposure to sunlight, aggressive external conditions
- Two mounts are assembled on a backing strip for easy removal
- A coating of synthetic rubber on both sides of the foam base creates high levels of instant tack and shear adhesion

### Specification.

Material:  
Nylon 6.6

Operating temperature:  
-20°C to +60°C

Chemical resistance:  
UV Radiation
